

Ultra-Hard Top Plus Spill Pallet

Spill Containment on Land

DURABLE HARD TOP SPILL PALLETS FOR SAFE DRUM STORAGE

The Ultra-Hard Top Plus line provides secure outdoor containment for 1, 2, or 4 drums. Built from UV-resistant polyethylene (LLDPE), they resist rust, corrosion, and weathering. Low-profile 222mm pallets improve safety and handling, while roll-top and swing-out doors ensure full access. Lockable designs add security, with forklift pockets, optional ramps, and dolly options for safe, efficient drum handling.

Product Code	Description	Length	Width	Height	Capacity
CHU9640	Ultra-Hard Top 1 Drum Plus Spill Pallet	900mm	900mm	1.65m	265L
CHU9612	Ultra-Hard Top 2 Drum Plus Spill Pallet	1.7m	1m	1.8m	250L
CHU9636	Ultra-Hard Top 4 Drum Plus Spill Pallet	1.6m	1.5m	2m	283L

Specification	Value
Material Type	Durable Polyethylene (LLDPE)
Warranty	5 Years
Chemical Resistance	Excellent resistance to a wide range of acids, bases, oils, and chemicals
UV Resistance	UV-stabilised for outdoor use. Resists fading and degradation from sun exposure
Corrosion Resistant	Yes
Forkliftable	2-Drum and 4-Drum only
Cross of Life Design	4-Drum only

APPLICATION

- Warehouses
- Manufacturing Plants
- Transport and Logistics
- Laboratories
- Maintenance Areas
- Outdoor Storage Sites
