50L Oil & Fuel Vehicle Spill Kit Bag

The SpilMax[®] Oil & Fuel Vehicle Spill Kit comes in a durable waterproof polyester bag that keeps contents dry. Compact and lightweight, it fits in vehicle boots, behind seats, or cabins of trucks and equipment. Strong handles allow wall hanging in spill-prone areas. The hydrophobic absorbents are effective on hydrocarbons, plant oils, seed oils, and petroleum-based solvents. Ideal for oil-on-water spills and wet environments. Spill kit instructions are on the outside of the bag for easy reference.
