140L Oil & Fuel Workplace Spill Kit

SpilMax® Oil & Fuel Workplace Spill Kits act as portable spill control stations, ideal for areas where liquids are stored or handled. Housed in a lightweight yet durable wheelie bin for quick transport to spills, the kit contains hydrophobic absorbents that repel water and float. Effective on hydrocarbons, plant oils, seed oils, and petroleum-based solvents. Recommended for use in wet environments and oil-on-water spills. Spill kit instructions are on the outside of the bin for easy reference.

Product	Code	Qty
140L Wheelie Bin (Yellow)	CH4522Y	1
SpilMax® Natura-Sorb Floor Sweep - 10kg bag	CH2000	2
SpilMax® Absorbent Mini Boom - Oil & Fuel (1.2mL x 75mmDia)	CH1506	2
