

StopLeak Repair Putty

Spill Control

RAPID, SAFE SEALING OF LEAKING CONTAINERS

StopLeak Repair Putty is an Australian-made, all-natural sealing compound designed for fast, temporary control of container leaks during spill emergencies. Safe to handle and non-flammable, it requires no surface preparation and is easily pressed over ruptures to achieve immediate adhesion. StopLeak provides critical response time while permanent spill control measures are implemented.

Product Code	Description	Length	Width	Height	Weight
CH2122	StopLeak	0.10m	0.10m	0.10m	650g

Specifications	
Composition	All-natural ingredients
Flammability	Non-flammable
