

## Ultra-Concrete Washout Bund Economy®

Silt and Sediment Control

### COMPACT WASHOUT BUND FOR SITE COMPLIANCE

The Ultra-Concrete Washout Bund offers a cost-effective way to contain concrete washout and prevent environmental harm. Made from water-treated heavy-duty corrugated cardboard, it is built tough with a 6mm liner and slotted edges for a secure fit. Chemically resistant and reusable, it folds flat for easy storage and transport. Available in multiple sizes to meet compliance and suit site requirements.

Product Code	Length	Width	Height	Capacity
CHU3515	750mm	750mm	350mm	189L
CHU3516	1.2m	1.2m	350mm	529L
