

Ultra-Drain Seal Storage Container

Stormwater Protection

QUICK-ACCESS STORAGE FOR EMERGENCY SPILL RESPONSE

The Ultra-Drain Seal Storage Container Wall Mount is a durable, corrosion-resistant storage solution engineered for fast access to drain seals during spill incidents. Constructed from linear low-density polyethylene (LLDPE), this wall-mounted container ensures that your drain seals remain clean, dry, and easily deployable. It features a quick-release strap for immediate access, a non-slip handle for secure grip, and includes mounting hardware for fixed installation in high-risk spill zones.
