

Ultra-Flood Stopper®

Water Diversion

RAPID RESPONSE FOR LEAK AND FLOOD CONTROL

The Ultra-Flood Stopper is a sandless sandbag designed to quickly form a strong water barrier, protecting homes, businesses, and industrial sites from flooding. Lightweight and easy to deploy, each bag fills in minutes. Made from non-toxic materials, it's safe for landfill disposal. Durable, consistent in shape, and UV-resistant. Ideal for emergency response and flood prevention.
