

## Ultra-Gravel Bag<sup>®</sup>

Silt and Sediment Control

### RELIABLE CONTROL FOR STORMWATER RUNOFF

Heavy-duty gravel bags offer fast, effective sediment and erosion control. Ultra-Gravel Bags are made from UV-resistant geotextile for long-term outdoor use. Sold empty for easy transport, just fill with sand or gravel. Woven construction avoids weak sewn edges and withstands vehicle traffic.

Product Code	Description	Length	Width	Weight
CHU9784	Ultra-Gravel Bag Continuous Roll Green box of 2	230mm	280mm	19kg

Specifications	
Material Type	High Density Polyethylene (HDPE)
Material Weight	125 gsm
