

Ultra-Spill Bund® Mini Foam Wall

Spill Containment on Land

COMPACT SPILL BUND FOR QUICK FLUID CONTAINMENT

Easily contain spills from vehicles, equipment, and containers. While major spills get attention, small leaks and drips can also cause delays and clean-up costs. The Ultra-Spill Bund Mini Foam Wall also known as a quick bund or duck pond is compact, portable. With 150mm foam walls, it's easy to step or drive over. Made from heavy-duty PVC, it's chemical-resistant and simple to store, deploy.
